Cuvée Blanc

WHITE BLEND · SIERRA FOOTHILLS AVA

A Mediterranean summer, grown in the Sierra. Chill a bottle, set the table, and slow down.

Our chapters are written in red. Cuvée Blanc is the pleasant detour: a fresh, dry white for long, hot afternoons, when the story can wait.

Its grapes are rarely grown in California and many are at home around the Mediterranean. Every vintage is a new blend, chosen for what the year gives us — a distraction never takes the same road twice.

> *"A glass that carries you to the Mediterranean coast."*
